THE ENERGY SAVING CHOICE

OEM LED MR16

The European Difference

OEM LED MR16 is the answer to the affordable LED. Without compromising quality the DLU R&D has engineered a product that covers both quality and affordability.

The **OEM LED MR16** is the answer to landscape and recess replacement.

Features and Benefits

- **Long Life:** 40000 hours life reducing maintenance cost.
- **Energy Saving:** 4W replacing 20W.
- **Wide Beam:** 90 Degree angle perfect for recess and lands.
- **Frosted Front Glass:** Defuses the light output.
- **Identical to MR16 in size:** Will fit perfectly in fixtures.

Residential & Commercial

- Elevators
- Hallways
- Lobbies
- Landscape
- Recess
- Ambient
